

Otsukimi Moon Viewing Exhibit

Sponsorship Opportunities

October 19-20, 2024

Our annual Otsukimi Moon Viewing is a traditional Japanese celebration of the full moon. Each year, we welcome over 2,000 guests to our Garden to stroll through our lantern-lit paths in the full moonlight, and enjoy various Japanese displays, musical performances as well as sake, traditional Japanese food and snacks.

Through the hard work of our staff, over 40 volunteers, and your support, we are proud to create authentic opportunities like this one to engage the public with the beauty and culture of Japan.

Your sponsorship of this event will directly impact our garden, our volunteers, and our community. We greatly look forward to growing our partnership with you and creating a unique relationship that will benefit those around us.

There are a variety of opportunities for support of this event.

Please contact Masahiro Yamamoto at masahiro.y@jfgphx.org or call 602-274-8700, extension 111 to discuss how you can be involved in Otsukimi 2024.
